[External Email – Exercise Care]
FYI Jerald,

One of the stocks (NVDA) that I was going to put money in has skyrocketed today, yesterday, and Monday.

The added time it is taking you to transfer the funds to my mother is costing me significantly.

Thank you for understanding and jumping on this asap.

Hello Jerald,

Why didn't it get done by today as stated?

Please make this a priority.

Thank you,

Jordan T. Weiner
