Complete Activity Report

Excerpt of the Excel file OPCO produced on March 28, 2025, as OPCO_03206 (file name: “OPCO_03206 CONFIDENTIAL Client Activity Report”).

About this excerpt. The file has one worksheet, titled “Complete Activity Report,” with 6,180 rows of entries dated Jan 25, 2019 to Feb 05, 2024. Its eleven column headings, exactly as they appear in the file, are: Access From; User Name; Date; Time; Operation; Page; Page Data; Account Number; Referer; Cookie; Browser Identification.

The first 60 rows are shown below, in the file’s own order. Four columns are shown: Date, Time, Operation and Page. The other seven columns are not shown because they hold private or technical data (network address, user name, page data, account number, referring address, cookie and browser identification). In the Page column, anything after a “?” is not shown, because some of those entries carry an encoded account number. Nothing else was changed.

Row	Date	Time	Operation	Page
1	Jan 25, 2019	2:27:30 PM	POST	/ClientAccess/Login/login.do
2	Jan 25, 2019	2:27:31 PM	GET	/ClientAccess/login/begin.ica
